

Dear Friend,

In February 2010, Shelley Glass was diagnosed with Stage III Triple Negative Breast Cancer.

While she endured fatigue, nausea, hair loss, and the horrible side effects of surgery and numerous rounds of chemotherapy, Shelley remained positive and strong.

Not only did she put her sons' and family's needs before her own, but during her treatments, she decided to help other cancer victims burdened by the expense that comes with diagnosis.

In 2012, Shelley founded the Jefferson County Cancer Coalition to help less-fortunate women receive free mammograms. Her efforts quickly expanded to offer financial assistance for groceries, gas, mortgage or rent payments, prescriptions and medical bills, and more.

Sadly, Shelley passed away in October 2014, but she had a dream that you can make come true.

You can support your Jefferson County neighbors and friends who are fighting cancer today.

As a sponsor of the 2019 Frosty Balls Golf Outing and Auction on October 27 at the Koshkonong Mounds Country Club in Fort Atkinson, **you will ensure that families facing the devastating effect of cancer will find a bit of financial relief, if needed.**

The Sponsorship Contract Form details the **valuable advertising opportunity** you'll have to raise awareness about the goods and services you offer. And, because the Coalition is 100% volunteer driven, **you can be confident that every sponsorship and golf registration dollar directly supports a neighbor undergoing cancer treatment.**

When you contribute, YOU give hope to a local family in a time of crisis.

Every week a new cancer victim reaches out to the JCOCC.

You can alleviate some extra financial stress. Can I count on you to sponsor the golf outing today?

Thank you,

Jordan Dresdow
President
